All artwork in this booklet is the intellectual property of **\$oRRoW STaRR** and **Tanner Danger**. Any reproduction, distribution, or commercial use without written permission from Tanner Danger is strictly prohibited and may result in legal action.

"**\$ORROW STaRR**" is a person -- Tanner Danger -- an artist, musician, and poet from the DFW Metroplex, TX, with roots that reach all the way to Brighton Beach, New York City. He is of Hispanic and Irish-American descent and takes great pride in his diverse heritage.

\$ORROW STaRR is also a brand -- a bold and expressive streetwear and art outlet that blends underground fashion with real-life storytelling and the embrace of life's hardships -- its unavoidable sorrows.

Known for its striking expressions, raw emotional impact, and electrically charged graphics, **\$ORROW STaRR** strives to show that life's pain and sorrows are beautiful in their own unique way. The story behind the brand spans across custom apparel, original art prints, paintings, digital designs, and more. Each piece reflects pain, passion, and purpose -- loud and proud.

Whether you're looking for exclusive, one-of-a-kind clothing or original artworks, **\$ORROW STaRR** stands at the intersection of fashion, art, and rebellion.

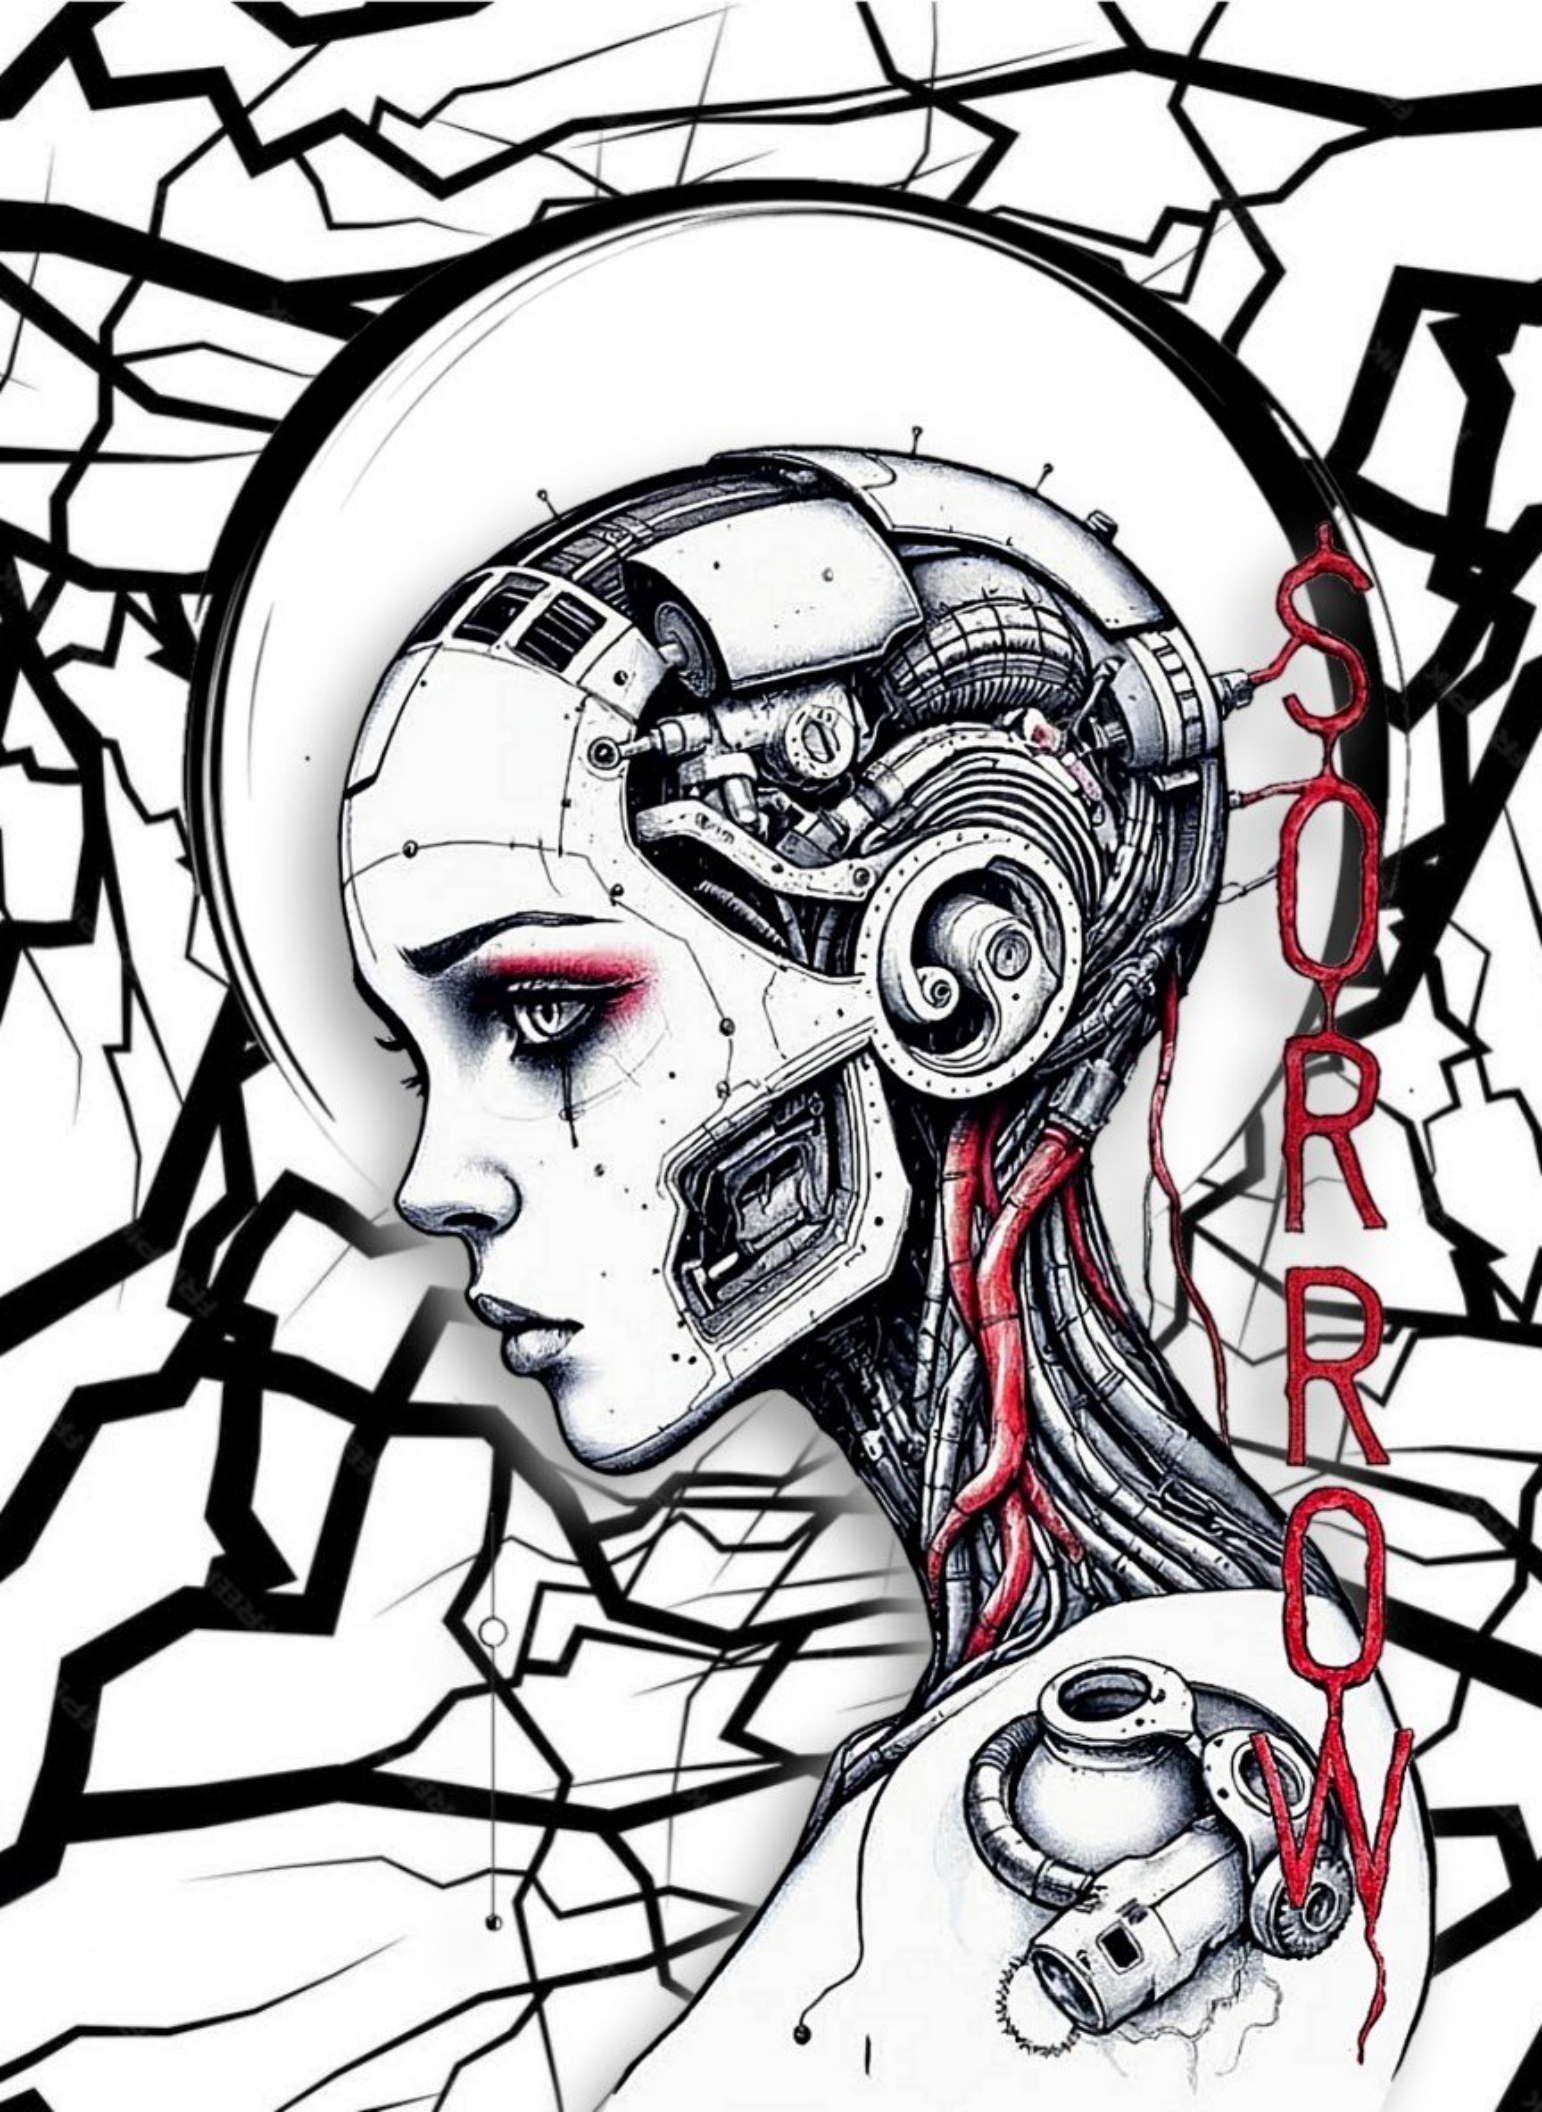

We're up next. We're going **F.A.R.**

GOD SAID TO ME, 'AND THIS IS WHY YOU HAVE BEEN CALLED THE SPARROW, THE BIRD, THE SORROWFUL ONE. THIS IS WHY THE SIGN OF YOUR PROMISE IS A CARDINAL: BECAUSE THOUGH MEN FORGET ABOUT YOU, YOUR FATHER DOES NOT. FOR HE KNOWS AND REMEMBERS THE SPARROWS. DO YOU NOT THINK HE WILL CARE FOR YOU AS WELL, OH SORROWFUL SPARROW? OH "BURT, THE BIRD"?

..BUT NO, I WAS THE TYPE OF MAN THAT NEEDED CONSTANT REASSURING. COULD IT BE BECAUSE OF THE WAY MY PARENTS ABANDONED ME? MAYBE IT WAS BECAUSE OF THE NUMEROUS WOMEN THAT HAVE HURT ME SO SEVERELY, OR WAS IT THE SO CALLED "FRIENDS" THAT WERE ANYTHING BUT WHEN I NEEDED THEM.

DIY STENCIL

1. Remove all 3 parts of stencil from booklet.
2. After you have done this you will need to individually apply each sheet to a poster board, cardboard or other suitable material with tape or glue (if you don't mind waiting).
3. Using a precision blade cut out the white portions of the stencil pages.
4. Ta-Dah! Your stencils are finished and the only thing left to do is test it out!
5. Starting with Stencil Page #1 with the picture below as reference you would use [PINK], Page #2 would be [WHITE] and of course Page #3 will be [BLACK].

SPECIAL THANKS

Special thanks to my sweet girl Primrose aka "Little Girl". You're the best daughter I could've ever asked for and you're a continual inspiration. I don't know if I'd still be here without you because you've been there for me when I had literally nobody else. You're the most loyal person I know and you're not even a person. I promise to love you with all my heart for the rest of my life.

Your Daddy,
Tanner.

and a special thanks to my new babygirl "Scarecrow". I had to win your trust to get your love.. but for such a scared little untrusting cat I'll be damned if you aren't the sweetest little thing. I'm glad to get the opportunity to care for you and am looking forward to building our bond more.

Your new daddy,
Tanner.
